DISINFORMATION OF SENIORS IN RURAL AREAS

TRAINING COURSE IN THE FRAME OF DISERA PROJECT REALISED IN BITOLA, REPUBLIC OF N. MACEDONIA

A Training Course on topic Media Literacy and Disinformation was held in Bitola, Republic of North Macedonia. The course was organized by EKE Bitola for 23 participants from Slovakia, Italy, Ireland and N. Macedonia, in the period 25-29 of May 2023.

The course was designed to tackle critical thinking and improve the digital skills of the participants. Among the topics taught were also journalistic and communication models, the distinction between information and entertainment, influencing techniques such as recognising the validity and credibility of content, and much more.

DEVELOPMENT AND BROADCAST OF EDUCATIVE RADIO PROGRAMS

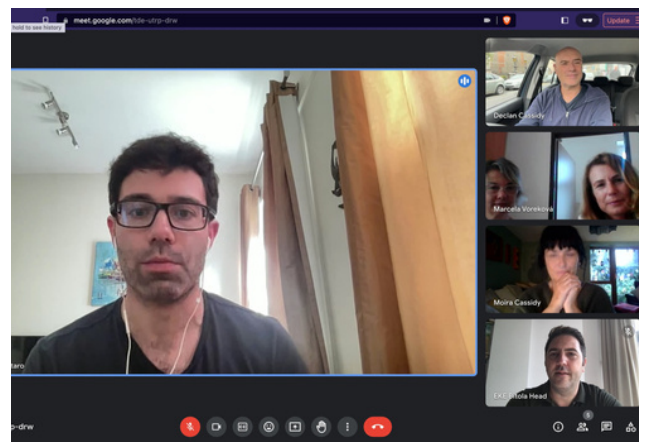

We developed and started broadcasting eight radio programs focused on media literacy and addressing fake news.

In this way, our target audience will gain more knowledge about fake news and disinformation.

ONLINE MEETING FOR

Project partners realized an online meeting, discussing further details and future project activities.

Stay tuned and follow us on social media and our website for more information!
